 - *Injuries* resulting either directly or indirectly from any illness, medical condition or congenital defect.
- **Recovery Benefit:** a single *monthly benefit* paid at the end of each *disability period*.

How Much Do I Pay?

Your premium payment is based on your coverage amount and is outlined in the "Coverage Summary".

- *Premiums* are due in advance on the *premium due date* and will be collected on a monthly basis, directly debited from a bank account or a credit card.
- The first *premium* is due on the first *premium due date* outlined in the "Coverage Summary". If a payment is not made by its due date, we will allow a **grace period of 60 days from the premium due date**, during which time this Insurance Certificate will remain active. However, if payment is not made by the end of the *grace period*, your coverage will end.
- The *certificate holder* must notify us to change the method of *premium* payments.
- We may change *premiums* from time to time. If we do, the same change will apply to all *insured persons* under the Group Master Policy. If we find it necessary to change *premiums*, we will provide you 30 days written notice in advance at the most recent address we have. Notice will include the new *premiums* and the *effective date* of the change. If tax rates change, your *premiums* will change accordingly without notice to you.

Your Benefit Payments

How and when we pay your monthly benefits

- *Monthly benefits* will be paid directly to you and directly deposited to your bank account on the first business day of the month following the starting date of *disability*,
- If you are *disabled* for a portion of any month, your benefit payment will be pro-rated accordingly.
- A *Recovery Benefit* will be paid to you at the end of each *disability period*.

Recurrent disability payments

- If you become *disabled* due to a *recurrent disability*, we will resume *monthly benefit* payments. This will be considered a continuation of the *disability period* and will not exceed the *maximum benefit period*.

Recurrent disability means a *disability* that :

- is within 12 months after your *monthly benefits* end, and
- occurs from the same or related cause before the end of the *maximum benefit period*.

What is Excluded?

We will not pay *monthly benefits*, and *premiums* will not be refunded for any *disability* that results, directly or indirectly, from one or more of the following:

- a *Pre-existing condition* that results in *you* becoming *disabled* within 6 months of the *effective date*;
- use of illegal or illicit drugs or substances, or misuse of medication obtained with or without prescription;
- participation in war (declared or undeclared) or hostile action of the armed forces of any country, insurrection or civil commotion;
- *you* operate any land, water or air transportation that is moved or operated by any means other than muscular power while *your* blood alcohol concentration exceeds 80 milligrams of alcohol per 100 milliliters of blood or while *you* are under the influence of any drug, intoxicant, narcotic or poisonous substance except as prescribed by a *physician* or as directed by the manufacturer in the case of non-prescribed medication;
- elective cosmetic surgery;
- while committing or attempting to commit a criminal offence, or while incarcerated;
- intentional self-inflicted *injury*,

Out of Country Exclusion

If *you* become *disabled* and the coverage has been in force for more than 12 months and the *starting date of disability* occurs while *you* are outside of Canada, *you* must return to Canada within 90 days of the *starting date of disability* before a *claim* may be submitted. *Your elimination period* will begin upon *your* return to Canada.

While *you are* outside of Canada:

- we will not consider *you* to be *disabled*;
- the *elimination period* will not begin or continue; and
- we will not pay *monthly benefits* or waive *premiums*.

Expiry or the cancellation of the group master *policy* will be without prejudice to any eligible *claims* arising prior to the expiry or cancellation. In no case will insurance be provided with respect to any *claim* arising after the termination of the group master *policy*.

What Are The Coverage Minimums and Maximums?

Total Coverage Provision

You cannot have total coverage under one or more *Accident Disability Insurance Certificates* issued by TD Life Insurance Company which are in excess of the *monthly benefit* and *maximum benefit period* described in this Insurance Certificate. If we find that you have more coverage than permitted, excess coverage will be terminated and any collected *premiums* for the excess coverage will be refunded without interest.

Maximum Benefit Period

The *maximum benefit period* is 24 months following the date of *disability* per *disability period*. The maximum amount paid is calculated by multiplying the *monthly benefit* amount by 24 months.

Maximum Recovery Benefit

The maximum *Recovery Benefit*, which is paid at the end of the *disability period*, equals a single *monthly benefit* per *disability period*. This means you will receive an additional one-time maximum monthly benefit of \$500, \$1,000 or \$1,500 (as reflected in the "Coverage Summary") per *disability period*.

Increasing and decreasing your coverage amounts

- You can increase your coverage amount. Additional coverage will be treated as a new enrolment for which a new Insurance Certificate will be issued, is subject to eligibility, and cannot exceed the total coverage described above under section "Total Coverage Provision".
- You can reduce your coverage amount at any time by calling us and we will change your *premiums* to reflect your new coverage amount.

When Coverage Begins And Ends

Your coverage begins on the date you enroll. This is your *effective date* of coverage outlined in the "Coverage Summary".

Your coverage remains in effect until the earliest of the following dates:

- *your 70th birthday;*
- *a premium payment remains due but unpaid by the end of the grace period causing your coverage to lapse;*
- *we receive a verbal or written request from you to cancel coverage; or*
- *the date of your death.*

Note: If notice is received that *you* passed away, coverage terminates and any *premiums* withdrawn after the date of death will be refunded.

If you choose to cancel your coverage:

- *We will end coverage when we receive your verbal or written request to cancel your coverage. We will refund any premiums we may owe.*

We will end your coverage if:

- *a premium payment remains due but unpaid by the end of the grace period*
- *we conclude misrepresentation of your enrolment or a fraudulent claim is made*
- *the maximum benefit period is reached in the event of a total and permanent disability.*

Reinstating Your Coverage

If your coverage lapses, you can choose to reinstate:

- *You may make a request within two (2) years of the lapse date.*
- *Coverage will not be reinstated or placed back in effect until all past due premiums have been paid.*
- *No claims will be payable if your start date of disability occurs while the insurance was not in effect (the period between the lapse and reinstatement effective date).*
- *At time of reinstatement, the pre-existing condition exclusion period will restart.*
- *You must provide us with evidence of eligibility for the insured person that we consider satisfactory.*

What If I Enroll, But Later Change My Mind?

You have a **30 day review period** from your *effective date* of coverage as outlined in the “Coverage Summary” to review the benefits provided and decide whether or not the coverage meets your needs. If you decide to cancel your coverage during this period, please call us at **1-888-788-0839** and your Insurance Certificate will be cancelled as of the *effective date*. Premiums withdrawn during this period will be refunded.

If you decide to cancel your coverage any time after, please call us at **1-888-788-0839** and—if there are no *claims* pending—we will cancel your coverage and refund any *premiums* we may owe you.

Note: Only the *certificate holder* can cancel your coverage.

How Do I Make A Claim?

Please call us immediately at **1-888-788-0839** to start your *claim*. When a *claim* is approved we will waive your *premium* payments during the *disability period* and your coverage will remain in effect.

What you'll need to make your claim:

- Completed *claim* forms, proof of *accident*, proof of *pre-disability income* and any supplementary information we determine relevant to assess your *claim*.
- Authorization for us to request, access or collect medical records and other information from sources that we determine relevant to assess your *claim*, including past or present *physicians*.
- We may conduct an interview over the phone or in person.
- We may require you to be examined or assessed by any *physician* that we choose to assess your *claim* when and as often as may be reasonably required.

Note: We may ask for any of the above as ongoing evidence of *disability* from time-to-time while you are *disabled* and receiving *monthly benefits*. Proof of *claim* is at your expense.

We must receive a claim within a specific time as outlined below:

- *Claims* must be received within 90 days of the date of *disability*.

- We may ask for proof in one or more forms described above. If we do, the claimant must provide the requested proof within 30 days. If unable to meet the 30 days, we may grant an extension which must be agreed upon between us and the claimant.
